Part II (true/false)

1. If your puppy is treated by a vet, you must always inform Guide Dogs.
2. Raw eggs are good for your puppy.
3. Puppies may have fleas, even if you don't see them on their body.
4. Fleas spend most of their time on a dog, so you do not have to treat his environment.
5. Do not scold or punish you puppy after he has an accident.
