

SHOOTING SPORTS

Providing the knowledge, skills and attitudes for a safe lifetime participation in shooting sports.

NAME _____ CLUB _____

BEGINNING

	Date Completed	Leader's Initials
1. Show and demonstrate a positive attitude about firearm safety first, last, and always.	_____	_____
2. Learn the proper names for the parts of your shotgun for communication and the learning process.	_____	_____
3. Be able to safely, calmly, and properly check a firearm to see if it is loaded. Consider <u>all</u> firearms loaded until proven otherwise.	_____	_____
4. Explain when and when not to have a loaded shotgun at a shoot.	_____	_____
5. Pattern your shotgun and be able to explain the results.	_____	_____
6. Have a working knowledge and know courtesies and safety to the squad in the line.	_____	_____
7. Explain and demonstrate the proper stance at each station.	_____	_____
8. Be able to demonstrate the 2 step gun mounting technique.	_____	_____
9. Know where to start your shotgun point from each station.	_____	_____
10. Be able to explain the range of angles from each station.	_____	_____
11. Be able to explain "Focus on the bird" - what causes jerkiness when following the clay bird, and what is meant by "follow through."	_____	_____
12. Develop mental discipline - practice, self-control - practice, dedication - practice, and pride. You are only shooting against yourself. A missed bird provides a basis for self learning. Champions are always improving.	_____	_____
