

The New California Landscape

Overview and Water-wise Peer Sharing

University of California

Agriculture and Natural Resources

■ UCCE Master Gardener Program

Peer Exchange

We're Smarter Together. When we work together and share ideas we will find opportunities.

What are the benefits of peer exchange:

- Empower participants
- Provides a means of transferring knowledge
- Provides learning opportunities through role modeling
- Provides ongoing personal development opportunities
- Builds relationships and creates a peer network
- Creates positive role models

Peer Exchange Cont...

Outreach Efforts- Media, Partnerships, Marketing

What are other UC Master Gardener Programs doing to get their drought message to the public?

Projects, Teaching Opportunities and Resources

What projects, teaching opportunities and resources are other UC Master Gardener Program working on or using?

Actions- Email, Call, Utilize, Share, Write, Create

List action items for yourself after the workshop: email a new contact, call your water district, utilize existing resources, share information with other UC Master Gardeners, write an article, create a plan of action, present your thoughts and ideas to your group.

Contacts

Who have you met, who can you contact in the future?
