

University of California Cooperative Extension (UCCE)

21150 Box Springs Road, Moreno Valley, CA 92557

Outreach on Huanglongbing (HLB)

UCCE disseminate and educate

Ever Since the first identification of Asian Citrus Psyllid (ACP) pest in the state, the UCCE, the local outreach program under the Division of Agriculture and Natural Resources (ANR) in Riverside County:

- Has engaged in disseminating information and educating the public on identification and responses;
- Collaborated with the state and local institutions including the Citrus Research Board (CRB), CDFA, UCR, and County Agricultural Departments.
