Budget for amount requested:

Have you participated in or actively helped organize any area, county, or sectional events? If so can you name a few events that you were involved in.

Have you and or your club participated in the County Fundraising events? What other types of fundraising for the activity you will be participating in have you done or do you plan on doing? How much have you raised or plan to raise?

It is required that you share the knowledge you gained or you give back to the program in some way. How do you plan to share or give back the knowledge and experience that you gained from your involvement in the event you want to attend?

The Management Board will award no more than \$250 per event per year to applicants. Youth members may ask for no more than \$250 per event per year. Adults please see Article VI, Section 3C in the bylaws below:

Adult members will be granted funds if they are attending an event for the first time or once in a five year period for the same event.

*** Please note that requests for funding to attend State Leadership Conference is a separate line item in the County Budget so the \$250 limit doesn't apply.*
