The County Ambassador Overview Video

The California 4-H County Ambassador Program is a leadership development opportunity for older youth. It is delivered at the county level.

County Ambassadors are the champions of the 4-H program in their county while they are developing their leadership skills.

4-H County Ambassadors are role models for their fellow 4-H members, their county, and their community.

The state 4-H office created a video designed for youth members who are or want to be County Ambassadors and their Coaches. It gives a brief overview of the program and a quick walk-through of the County Ambassador Handbook. It's about 14 min long. http://4h.ucanr.edu/Projects/Leadership/County_Ambassadors/
