

Placer County Youth and California 4-H Shine in Horticultural Competitions

In October, Martha Humber of Placer County 4-H had the opportunity to travel to St. Louis, Missouri to attend the National Junior Horticultural Association (NJHA) Convention. Martha qualified to serve on the California 4-H team, participating in team competitions such as a plant science test, horticultural connections, and an educational state display. In addition to serving on the California 4-H team who won the horticultural connections competition, Martha also gave a speech called "I Spy A Bonsai", entered a poem in writing in horticulture, did a promotional design, completed a botanical illustration, and submitted several photographs. Martha received Grand National prizes for her speech and poem; National, Grand National Best Overall photography; and the highest score overall in the plant science test. Martha shared, "I know that I have had a spark for gardening ever since the 4-H Junior Master Gardener project. I know I would still garden even if I had never heard about NJHA, but NJHA has definitely inspired me. I already have the goal to collect a complete seed kit, compete in Honors as soon as possible, and get other kids involved as well."

Congratulations to Martha and the rest of the California 4-H team!

Achievement Night 2018

On Friday, October 12th, youth from across Placer County came together with their friends and families at the Loomis Veteran's Memorial Hall to be recognized for their 2017-2018 4-H achievements. The Placer County 4-H Ambassadors coordinated the night where youth were recognized for their officer positions, star rankings, community service involvement, scholarships, and more. Adult volunteers were also recognized for their dedication to the 4-H Program for 5, 10, 15, and 60 years of service. Don Ales was awarded the Friend of 4-H recognition for his support of Placer County 4-H youth and programs. Thank you to everyone involved in making the event possible, and for the friends and families of our 4-H community that attended.

County Ambassadors congratulate Clayton Rhoades, 4-H Emeritus, of Long Valley 4-H Club (other 4-H Emeritus not pictured: Amos Humber and Alex Monroe)."

Congratulations

Placer County 4-H is one of 12 counties across California that achieved parity in the 4-H 2017-2018 program year. This means the youth and adults involved in and served by our program reflects the racial and ethnic makeup of Placer County. This is the second year in a row that Placer County 4-H has achieved parity, and reflects the incredible program, project, and outreach opportunities our volunteers and members deliver and engage in. Bravo to you!
