

Morning Meet-Ups

Every other Thursday in
May and June

Have your orchards done
funny things this year?
Diseased nuts, branches
without leaves, or the tree
straight-up died?

Come join your farm
advisor, Dani Lightle, for
bi-weekly
Morning Meet-Ups:
a round table discussion
of what she's been
seeing, what you've been
seeing, and what just
isn't going right. Feel
free to bring photos of
symptoms or even
samples of nuts/leaves/
branches to evaluate or
send into the lab.
