

Tribute To 4-H Leaders

Somewhere between the sternness of a parent and the comradeship of a friend is a mysterious creature we call a 4-H Leader.

These creatures come in all shapes and sizes and may be male or female. But they all have one thing in common... a glorious twinkle in their eyes!

4-H Leaders are found everywhere—at judging contests, fairs, skills days, fashion revues, and talent shows. They are always preparing for, sitting through, participating in, or recuperating from a meeting of some kind.

They are tireless consumers of muffins, experts at taking knots out of thread, peerless coaches, and spend hours on the telephone.

A 4-H Leader is many things... an artist making a float for the fair parade, a doctor prescribing for an underweight pig, a cook at camp, a lawyer filling out reports, and a shoulder to cry on when that dress just won't fit.

Nobody else is so early to rise and so late to get home at night. Nobody else has so much fun with so many boys and girls.

We sometimes forget them, but we can't do without them. They receive no salary, and we can never repay them.

They are angels in aprons, saints in straw hats. Their only reward is the love of the kids and the respect of the community. But when they look around them at the skills they've taught, and the youth they've built, there's an inner voice from somewhere that says,

“Well Done!!!”

Thanks to all of our wonderful lead-
