# THE ANGORA FIRE: WHAT WILL THE FUTURE FOREST BE?

## WORKSHOP OBJECTIVES:

- Provide information that will assist residents and land managers in understanding how the area affected by the Angora fire will look in the future.
- Describe the potential effects of alternative management activities in achieving forest restoration.

**November 3, 2007**

**8:30 a.m. - 4:30 p.m.**

**Lake Tahoe Community College**

**Board Room (Library)**

**One College Drive**

**South Lake Tahoe, CA 96150**

<http://www.ltcc.edu/>

**Learn about the ecology of forests in the Lake Tahoe basin, how forests regenerate after wildfire, the specific effects of the Angora wildfire and the effects of forest management strategies for restoring forests on Angora Ridge.**

Should you need assistance or require accommodations for any physical challenge, please let us know.
