February 2021

University of California

Agriculture and Natural Resources | 4-H Youth Development Program

Coronavirus Update on 4-H Activities

IN PERSON MEETINGS – We have been approved for resuming 4-H small group “in person” meetings limited to **OUTDOORS ONLY**. All leaders must have completed the two mandatory training documents prior to holding meetings.

[Awareness of Coronavirus Disease](#) and [Mitigation Standards Summary COVID-19 Stage 2](#)

Click here https://ucanr.edu/sites/4-H-Fresno/Adult_Leaders/COVID-19_Coronavirus_Resources/ for website page.

Leaders are to read, print (if possible or office may print for you), display at meetings, and adhere at all times to detailed guidelines and protocol to maintain the safety & wellbeing of both 4-H youth and adults. Leaders are Required to complete a brief survey as verification of training completion.

Training must be documented by having the volunteer sign a training record, or completing the following online survey.

<http://ucanr.edu/survey/survey.cfm?surveynumber=30392> Leaders MAY NOT HOLD MEETINGS until survey verification is recorded at County Office.

Follow these simply meeting guideline Requirements:

- 1) *If feeling ill, running a temperature, or recently exposed to COVID-19, **STAY HOME!***
- 2) *No more than 8 youth & 2 adults at any individual meeting (total of 10 currently until further notice).*
- 3) *Must maintain six feet distance between people at all times (meet outdoors when possible).*
- 4) *Wear face coverings (cloth, paper, of bandanas, etc) when six feet separation cannot be maintained.*
- 5) *Maintain sanitary practices – frequently clean and disinfect workspaces and equipment, wash hands often and use hand sanitizer.*

See our county website for additional resources or contact the 4-H Office

4-H Adult Helper in Virtual Learning Spaces

Looking for an additional adult to assist online at virtually meetings, who doesn't need full clearance for "In Person" meetings? As a result of COVID-19 and restrictions to gathering in person, 4-H has moved many educational activities into virtual learning spaces. In response to the unique needs of these learning environments, and to uphold 4-H youth protection and adult supervision, a designated role of Certified 4-H Adult Helper has been created. For adults who would like support 4-H by becoming a Certified 4-H Adult Helper, please refer to this [4-H Adult Helper Certification Flowchart](#) for an overview of the process. Click [here](#) to register.

The County 4-H Office was closed as of November 20th due to Covid-conditions locally. It is not open for drop offs or picking up supplies without making arrangements in advance by contacting either Yolanda or Tracy. There is NO ADMITTANCE on a walk up basis. We are sorry for any inconvenience this may cause to you. Email contacts are tnewton@ucanr.edu or ymurillo@ucanr.edu
Office phone 559-241-7515 or Tracy Newton 559-970-3092.

Handbook for Families

This handbook was created to help families get to know the resources and activities available in 4-H in California. This handbook will be updated regularly; please share any comments and suggestions for improvement with your county 4-H Advisor or Program Representative.

NEW FAMILY HANDBOOK

Now is the time to think about Presentations!

Are you looking for a project during your holiday break from school? You can get ahead start on preparing a Presentation for Fresno County's 4-H Presentation Day scheduled for

Saturday, March 27th
ZOOM Format

4-H encourages every member to develop and polish their public speaking skills by participating in County Presentation Day. There are many ways to participate in Presentation Day. Participants may give a traditional demonstration or illustrated talk where they show "how-to-do" something using visual aids or posters or a prepared speech or interpretive reading or an impromptu speech etc. The ways to participate are explained in the California 4-H Presentation Day Manual. Take time to read about the various ways to participate in Presentation Day, and then research your topic. Find an interpretive reading you enjoy or a favorite recipe you can use to develop into a presentation. Prepare your script, make your posters, or gather your props, if your category requires such items. Spend time practicing your presentation. The old adage that "practice makes perfect" is especially true for presentations. The Updated Presentation Manual (some changes have been made since last year) is available by clicking: <http://4h.ucanr.edu/files/2193.pdf> . Questions, please contact Georgene at 269-1177 or georgenediener@gmail.com.

Q&A

Q: What is 4-H?

A: The 4-H Youth Development Program is an informal educational opportunity where youth, ages 5-19, learn by doing from skilled adult volunteers in project areas like science, health, agriculture, & citizenship. To learn more, please visit ucanr.edu/sites/4-H-Fresno.

Q: What is HOPE Sanger?

A: HOPE Sanger is a multi-denominational faith based non-profit community 501c3 organization that was originally established to provide food and other necessities to the homeless and needy families of Sanger, CA, but due to the increased homeless population has since expanded to include a temporary transitional living center. HOPE Sanger took management of a 17 room motel, which was considered a crime and drug hotspot, and converted it to a valuable community resource. Hope Sanger exists through generous public donations and fundraising which has allowed the agency to provide assistance to an estimated 10,000 people yearly. Since HOPE Sanger's inception in 2010, it is the only agency in the Sanger/Del Rey area that provides a combination of temporary living assistance, social services, and food/meal distribution, to anyone experiencing a crisis. To learn more, please visit hopesanger.org.

Hi-Citizenship aka Hi-C

This year's Hi-Citizenship (Hi-C) theme is "Community Discovery".

Special speakers and exciting plans for community outreach are being discovered. Hi-C will focus on developing your skills as a leader and discovering how those skills are applicable to your community. Pieces of this "Community Discovery" process will include leadership activities, field trips (once COVID subsides) to influential local organizations and planning concrete ideas to address real problems.

Monthly meetings are held via zoom and lead by Cameron Standridge and Donna Capelluti. Open to all 4-H'ers ages 13 and up. Receive your Hi-C patch and project medal... **Join us on the third Tuesday of each month at 6:00 pm** (log in) meeting starts at 6:15. Begin your journey to becoming a CATALYST for CHANGE as you learn how to practice true leadership. Invite someone new. Anyone referring 2 or more friends will receive a special prize. You must report to Tracy the names of those you have recruited.

Project Meeting Tips & Ideas

During this time, it may be difficult to meet the 6-hour requirement to complete projects. Below are ideas/tips to assist in meeting the minimum.

- Zoom meetings testing knowledge or sharing Project activities completed at home (Pygmy Goat Project - Jeopardy game testing knowledge)
- Assign activities project members can complete at home and submit completed work back to Project Leader (Baking Project – baking cookies, photography – share photos, etc.)
- Poster of livestock breeds/knowledge (Rabbit Project - sharing varieties of Rabbit breeds)
- Sharing videos of project aspects (Horse project - confirmation of a horse)

Remember -

Annual Project Reports are required to participate in livestock projects at local Fairs.

4-H Alumni Personality Feature

Peggy Whitson, NASA astronaut and commander of the International Space Station, turned her dreams into reality. Whitson grew up in the small town in Iowa. Peggy is an Alumni 4-H'er. Read about her success as you enjoy this month's feature segment.

**Updates on
County 4-H Events**

Fashion Revue is being postponed into April as a possible outdoors event. More updates to come.

Model Horse Show is being planned for a postponed date. May be held as virtual photo submission event. Be watching for updates.

4-H County Emerald Star

What is an Emerald Star?

Fresno County offers 4-H'ers the opportunity to earn an Emerald Star. The Emerald Star program is designed for intermediate and senior 4-H members ages 13 and up. The Emerald Star project's purpose includes:

1. Providing an opportunity for 4-H members to develop projects in their community or in 4-H beyond the club level.
2. Improving, creating, and expanding 4-H programs.

Helping individual 4-H members grow and improve in the areas of organization, leadership, and project planning.

This program is designed to help youth learn about project planning, organization, and presentation.

Typically, youth develop an action plan for some type of multi-county event. They then organize and facilitate this event. After completion and presentation of their project, they are awarded with the Emerald Star ranking. Those members wishing to apply for the "Homer Williams Scholarship" must have completed an Emerald Star Project. For more detail see the county website https://ucanr.edu/sites/4-H-Fresno/Youth_Members/Citizenship_and_Leadership/

California 4-H Visa Debit Card – No Cost, No Credit Impact

Headline: Early birds are leading the way

A few volunteers and parents have swooped in to start using the 4-H Debit Card. Early signs indicate this can be a windfall for our local clubs and programs. Using this card helps fund youth recognition and more - without having to donate or figure out new ways to fundraise. **Thank you, early birds!**
Jane B, Marlene M, Anna A, Carol & Matt W, Cambria D, Christine C, & Lai Ling N.

Examples of how our early birds are using their 4-H Cards:

- Online subscriptions (e.g., Amazon Prime, Netflix, Disney+, Hulu, Spotify, Audible, games, news)
- Online monthly bill payments to other merchants (e.g., cell phone, home wireless)
- Ad hoc online purchases (e.g., groceries, pet supplies, clothing, gifts)
- Local shopping (e.g., groceries, coffee shop, craft shops, etc.)
- AND - 4-H projects and animal care, of course

Later this month, the 4-H Card mobile app will increase convenience *and allow you to see your personal impact*. It will also connect to smaller credit unions or community banks, a big plus.

Our county qualified for the 4-H Card because so many of you expressed interest in it - so join the flock!
Contact Georgene Diener at georgenediener@gmail.com or go to <http://bit.ly/ca4hcard> to learn more. New users will apply directly through the Android or Apple app - we'll let you know when you can download it later this month.

Let's join the early birds - and turn our everyday living into a formidable fundraising flock!

Note: Our 4-H Card partner, GroundSwell SPC, is a Washington State-based social purpose organization. They are devoting the majority of their gross revenue from this program to California 4-H. 100% of proceeds generated for our county go directly to our county. GroundSwell has been working on this program at no cost to the 4-H Foundation, who sourced this unique program for our counties.

DATE PENDING – Due to continued COVID-19 challenges we have not calendared an event date at this time. Watch for announcements or check county 4-H website annual events page https://ucanr.edu/sites/4-H-Fresno/Annual_Events_Page/ for updates.

**GIRLS HEALTH PROJECT
LONE STAR 4-H
OPEN TO ALL CLUBS**

It's not too late to join this valuable project! Join us virtually as we explore a girl's monthly cycle from a new perspective. While often shrouded in a cloud of mystery & even shame, we will be going "behind the scenes" to look at this 5th vital sign. Yup, vital sign! In this project we will spend some time exploring the different phases of a cycle & how it plays into a girl's everyday health -in the way she feels, eats, exercises, & thinks. These incredible hormones really do impact so many aspects of our lives!

This program is not geared towards sex education but only body literacy as it pertains to female hormones & this 5th vital sign. There is no age requirement for this class because the information is pertinent to girls whether they have started cycling or not. Parents are always welcome to attend & participate in our meetings. *Project meetings will take place on Sunday afternoons from 2-3:30 on the following dates: February 21, & March 21.* Interested or have questions? Call or text Kristen Gilster at 559.325.4045 a zoom link will be provided.
