A MESSAGE FROM
YOUR STATEWIDE

**4-H PUBLIC
SPEAKING**

&

**COMMUNICATIONS
ADVISORY**

COMMITTEE MEMBER

by Kyle Rutz
Eureka/Granite Bay 4-H Club

There are twelve state level committees that 4-Hers, ages 14-19, can apply to participate in. By working on these committees, you can meet 4-H advisors and other 4-Hers from all over the state and together complete some meaningful work. Read more about the possibilities at http://4h.ucanr.edu/Get_Involved/Advisory_Committees/.

The Public Speaking and Communications Advisory Committee was newly established in 2020-2021. As its name implies, its purpose is to help young people improve competence in public speaking skills and building confidence as 4-Hers learn to be better speakers and presenters.

This year, we are achieving our purpose by tackling the 2020-2021 Plan-of-Work that includes different efforts the committee members identified. Members created this plan-of-work, selected at least one sub-committee, and often multiple, sub-committees to work on. I'm working on a document that helps evaluators run the impromptu presentation category successfully. I also volunteered to create an interview manual, not just for interview contests but for the best reference and guidance in preparing for all types of interviews. Additionally, if you participate in the bi-county, regional and state presentation day, you will meet me and other members of this committee who are working to make them run smoothly as room hosts or evaluators or working behind the scenes to make sure all the advance planning is done successfully. Take time now to get familiar with what is available to you as a senior 4-Her at the state level and create your action plan to achieve the goals you decide to set for yourself.

2021 Virtual Youth Summit Paving the Road to Success

**March 26-28, 2021
Ages 11-13**

Exciting news! Registration for the 2021 Virtual 4-H Youth Summit is now open. A great opportunity for intermediate members (ages 11-13) learn how to use your Spark to focus on personal improvement, explore college and careers possibilities, and create positive change.

We are also recruiting for teen facilitators and adult volunteers to serve as chaperones:

Teen Facilitators age 14 and up: Sign up by March 15, 2021

Teen Facilitators are key to making the Youth Summit a success! Facilitators are required to be 4-H members age 14+. With a partner, they lead groups of Youth Summit attendees in small meeting discussions about conference activities, goals, and personal development. The facilitators will work as a team to assist with conference activities and educational sessions. But most importantly, Youth Summit facilitators will develop skills in leadership, group facilitation, and more!

Chaperones: Sign up by March 15, 2021

The Youth Summit Planning Team is in the process of recruiting adult volunteers to assist with the virtual youth conference scheduled for March 26-29, 2021. We want to continue providing an opportunity for leadership skills development and a safe space for all participants throughout the conference.

2021 National 4-H Beekeeping Essay Competition

Sponsored by: Foundation for the Preservation of Honey Bees

**FOUNDATION FOR
THE PRESERVATION
OF HONEY BEES, INC.**

2021 Essay Topic: Immunity: *Threats to Bee Colonies and Methods to Defend Against the Threats*

Honey bee colonies have developed many ways to stay healthy. Their immune responses range from behaviors such as grooming to using materials such as propolis, a plant-derived substance bees coat on the interior of a hive for antimicrobial purposes. Even the gut of the honey bee contains beneficial bacteria to help the bee stay healthy!

In your essay, name at least **two** threats (a parasite such as Varroa, a pathogen such as a virus, a predator such as a bear, etc.) to honey bee colonies and then discuss the methods colonies use to defend against the threats.

If possible, include at least one picture you have taken from Feb. 2020-Feb. 2021 that illustrates how colonies manage to stay healthy against a variety of threats.

Additional competition rules and essay requirements can be found [here](#)

Eligibility

- The 2021 National 4-H Beekeeping Essay Competition is open to active 4-H Club members only.
- Any 4-H Club member who placed first, second or third in previous years of the national competition is NOT eligible to win in 2021, however, state competition winners remain eligible to enter the national competition.

Fondest Presentation Day Memories

I remember the first time I went to Presentation Day, when I was 10 years old. I sat there on the cold metal chairs at Ophir school, waiting for my turn to give my first impromptu speech. I had signed up because I thought it would be easy as you only had 5 minutes with your prompt before giving your speech, but it didn't feel so easy as I sat there watching other youth present before me. I was in complete awe of the teenage 4-Hers, and how easily they seemed to be able to give incredible speeches! I remember one boy in particular. Despite his five-minute preparation, he told a great story, broke down the prompt in his response, and made it a fascinating listen. I thought to myself: "That's a SUPERPOWER!"
