City, State, ZIP

Dear _____,

We are writing on behalf of Aromas 4-H club to tell you about the *Big Day Of Giving* fundraiser scheduled for April 10, 2021. The financial pledges and donations collected on this day help support the Monterey County 4-H Youth Development Program which ultimately supports the youth of Aromas 4-H.

The Monterey County 4-H Program reaches more than 700 young people in over 15 Community Clubs. This trusted program has served so many members of our agricultural community and is continuing to serve our youth who face unique challenges in today's world.

Your financial gift will have a profound impact in providing exciting and fulfilling opportunities for youth to explore their interests and develop skills in leadership, public speaking, citizenship, as well as skills in science, technology, engineering, healthy living and many aspects of agriculture.

Our first Monterey County 4-H Big Day of Giving will be held on 4-10-21. Please consider sending in your 100% tax-deductible donation. Enclosed you will find ways you can contribute.

Thank you for your support!

Sincerely,

Ariana Alvarez & Lauryn Perez
Aromas 4-H Secretaries

Jacque Palmer
Aromas 4-H Community Leader

This letter sent to Aromas Eagles, Grange and community members.
