Water frequency	Name	CA Native?	Leaves	Flower	Comments
+	<i>Vitis</i> 'Roger's Red' Roger Raiche's grapevine	Yes	Deciduous	Red fall color	Rampant growth. Edible fruit.

**+** = water every two weeks

**++** = no watering required once the plant has been fully established.

**F** = some damage with extremely cold weather.

The vines listed here look good in Yolo County landscapes, even if they are watered well only once every two weeks. Watering requirements will be less with afternoon shade, wind protection, mulch and water from nearby lawns or neighboring gardens.

All these vines will grow in shade by only a few will bloom without some full sun during the day.
