MAY 24 & 25, 2022

TUESDAY AND WEDNESDAY - 1:00PM-4:00PM

FARM HUB CONFERENCE ROOM

SAN DIEGO COUNTY FARM BUREAU

420 S BROADWAY, ESCONDIDO, CA 92025

TOPICS AND SPEAKERS INCLUDE:

■ DAY 1 - MAY 24TH

Energy Management in Controlled Environment Agriculture

- Dr. Heiner Lieth (Plant Sciences Dept., UC Davis)
- Ashton Genzman (Cascade Energy/SDG&E Streamlined Ag Efficiency Program)
- Eric Luther (San Diego County Air Pollution Control District)

Agricultural Carbon Market Possibilities

- Jada Dormaier (Nori-Carbon Removal Marketplace)

■ DAY 2 - MAY 25TH

Hear from Local Resilient Agricultural Programs and Projects:

- Ramona Ranch Vineyard and Winery, Solana Center, Resource Conservation District of Greater San Diego, County of San Diego, and UC ANR/UCCE

DESCRIPTION:

The Climate Action and Agriculture Symposium focuses on the policies, research, programs, strategies and resources needed to support sustainable agriculture and the reduction of greenhouse gas emissions via the unique agricultural environments and industry in San Diego County.

This annual symposium is intended to help build common stakeholder understanding of the climate impacts, challenges, potential solutions and successes to local agriculture, including agricultural producers, policy makers, government agencies, researchers, educators, consultants and other public, private and Tribal agricultural stakeholders.
