# *Notice to Buyers*

- All buyers, please come to the auction table to make payment arrangements for heifers after the sale is complete.
- All add-on's shall be submitted with payment at the auction table within one hour after the close of the sale.
- Please let the auction table know if you will be participating in the buy back program. The buy back amounts are as follows:
  - \$400 for calves
  - \$800 for yearlings
  - \$1,200 for springers

***For Example: If you purchase calf for \$1,000, a local dairy will purchase that calf from you for \$400. Therefore, as a buyer, you are only responsible for paying \$600 for that animal, and you do not have to take a dairy animal home.***

- You will receive your yellow bill of sale required for animal transportation at the auction table. A release slip must be obtained from the fair livestock office.
- Animals will be released on Saturday, between 6:00 a.m. and 8:00 a.m.
