Leadership Update	When in spring 2023 will be the all UCANR conference? I am building a conflict schedule calendar for a planned conference in June/July 2023 (Toward Sustainable Groundwater in Agriculture, which we did in 2010 and 2016, <a href="https://ag-groundwater.org">https://ag-groundwater.org</a> )	We are targeting late April - mid May. Dates and location still under discussion.
Strategic Element	Will our ANR survey allow different comments for areas within our own unit vs other areas or leadership etc?	The ANR@Work Survey allows individuals to provide feedback on one's personal experience working within ANR. Not feedback on Units
