June 2022 Retirees

**Congratulations to those
retiring!**

UNIVERSITY OF CALIFORNIA
Agriculture and Natural Resources

Networking Breakouts

Each person takes turns saying:

- Name
- Unit/Location
- What is your superpower on the job?

After everyone has a turn, then have discussion and ask each other questions.

Winner of gift cards will be randomly drawn from among those participating.

Thank You!

Please complete our post meeting evaluation to let us know what you would like to see at next year's STAR Awards!

Survey will pop up when you close the zoom meeting.
