# MONTEREY COUNTY 4-H COUNCIL

80 completed blessing bags and all remaining donations were delivered to Dorothy's Place.  
130 completed paper flowers were delivered to acute and recovery care nursing homes.

We really liked having the actual event on the 2nd Saturday instead of the 1st Saturday as it gave our club time between our community meeting on the first Friday and the actual event to be able to get all the final details taken care of. It also was on a 3-day weekend for most of our youth which gave us more time to recuperate after.

Special thanks to Carmel Valley and San Benancio for socks, Royal Oaks for soap, Chualar and KCBR for shampoo, KCBR and Natividad for deodorant, Lockwood for baby wipes, Mission for chapstick, Spring for kleenex, Kelly Violini and Nadine Houle for toothbrushes and toothpaste, and Cheryl's Thrifty Treasures for donating 70 t-shirts.

**What your club would do differently next time. Describe in detail what would be done differently and why:**

While we really liked having everything as rotations this year as it kept all the kids busy and nobody was wandering around bored, it created a bit of confusion for our shift volunteers. Next year we would like to be able to have our volunteer color groups coordinate with their shift rotations so our volunteers don't have to leave their rotations to be leaders but can instead lead when their color group arrives at the community service rotation. This can be accomplished with a little communication with KCBR the week before.

As for communication regarding our needs for the event as a whole, the pink group felt somewhat overlooked between having post-its as name tags and not being included on the group cheers. This can be solved with a different color option or even just writing their names with a pink marker on white name tags.

Additionally, our long-time members miss the days when the rotations were in different buildings.
