

UC Master Gardeners of Santa Barbara County
and Mesa Harmony Garden present:

FREE, IN-PERSON GARDEN WORKSHOP

UC Master Gardeners Russ Baldocchi and Janet Rogers will present a research-based workshop discussing elements of summer pruning to control both the size of the trees and fruit quality, followed by hands-on practical pruning experience in the garden led by experienced pruners.

This is an in-depth treatment of this essential part of the backyard tree-care calendar. Bring your own gloves and pruners if you have them. Additional pruners will be available to borrow on site.

SPACE IS LIMITED. YOU MUST PRE-REGISTER.

TOOL SHARPENING DEMO will be available prior to the workshop at 9:30 AM.
