

UC Master Gardeners of Santa Barbara County
in partnership with Mesa Harmony Garden present:

FREE, IN-PERSON GARDEN WORKSHOP

The dry season has us all thinking about the threat of wildfire, especially with the recent Lake Fire in the Santa Ynez Valley.

UC Master Gardener Kit Bonson will discuss *Fire Safe Landscaping*, a research-based presentation that will include:

- ◆ Southern California habitats and their response to wildfire,
- ◆ Vegetation management to create defensible zones in your yard,
- ◆ Landscaping choices that avoid invasive plants that are not fire-safe,
- ◆ And much more!

Please join us to learn about what you can do at your own home to promote defensible spaces in your yard!
