UC ANR 2025 Peer Review Committee Roster

Purpose: Provides an evaluation of academic accomplishments and impact, to support our colleagues in reaching their fullest potential, and thereby strengthening the UC ANR network to improve the lives of Californians.

Charge: Advise the Associate Vice President on academic requests for term reviews, merits, promotions and accelerations.

Composition: ANR academics, appointed by the Associate Vice President for three years with overlapping terms. The composition strives to reflect the breadth of UC ANR's programmatic areas and administrative assignments.

Process: At the full convening, each case is discussed, each member makes a recommendation, and the tally is provided with the assessment of performance, accomplishment, and opportunities to the Associate Vice President.
