4-H Event Shout outs

Last Sunday, December 1st, the Novato Community Group successfully gathered four large bags of coats and jackets for the Warm Coat Drive and nearly sold out of their baked goods! Youth members enthusiastically shared their passion for 4-H and waved signs to draw in new and interested families. The event not only supported a worthy cause but also provided a wonderful opportunity for members to develop leadership skills and connect with their community. Thanks to everyone who participated and contributed, making this event a memorable success!
