- Breeder and Feeder Animal Ownership Deadline (30 days): **Tuesday, April 15, 2025**

### Target Weights:

Market Beef:	1100-1400 pounds	Turkeys:	20-40 pounds
Sheep:	110-150 pounds	Pen of Chickens:	3.5-6 pounds
Goats:	60-105 pounds	Pen of Rabbits:	3.5-5.5 pounds
Swine:	215-280 pounds		

No animal under minimum weight will be allowed to sell. Auction payout will not exceed maximum target weight. See the reverse side for the target weight chart.

Livestock exhibitors are highly encouraged to obtain insurance on their project animal.

## Attention Livestock Members and Leaders

Use this table as a guideline to purchase and raise a market animal for your project.

Necessary Weights to Meet Target Goals									
ADG lbs/day (estimate)	Hogs		Goats		Sheep		Beef		
	2	1.6	0.5	0.3	0.9	0.6	3.50	3.00	2.50
<u>Days Until Fair</u>	<u>Weight Range</u>		<u>Weight Range</u>		<u>Weight Range</u>		<u>Weight Range</u>		
180							670	760	850
150							775	850	925
120	20	68	40	64	32	68	880	940	1000
113	34	79	44	66	38	72	905	961	1018

<b>Target Weight at Fair</b>	<b>260</b>	<b>260</b>	<b>100</b>	<b>100</b>	<b>140</b>	<b>140</b>	<b>1300</b>	<b>1300</b>	<b>1300</b>

Average daily gains can vary greatly between breeds and even individual animals. The average daily gains here are based on educated estimates of animal gains. It is highly recommended that your own ADGs are calculated throughout your project (they will change) to determine where you fit, and the accuracy of these assumptions. Your ADGs can be placed in this table to adjust the outcomes for your animal. Josh Davy-UC Cooperative Extension-Livestock and Natural Resources - Revised 8/2023
