Winter Wonderland Event

at the Marin Art & Gardens

This past December we set up a 4-H booth showcasing a variety of 4-H projects, offered hands-on activities and information about 4-H to event goers at this yearly event. Our booth was bustling with curious new and young families eager to learn more about 4-H, and our members did a fantastic job engaging with the community, sharing their knowledge, and displaying their hard work. It was a memorable two days filled with laughter, learning, and new faces. We look forward to participating again next year and continuing to spread the word about the wonderful opportunities that 4-H offers to young people in our community.
