Jase Rulon has been in 4H for 7 years. Really he has been in it all his life since he has 2 big brothers that are also in 4H. He started as a primary with his pygmy goat and outdoor adventures. Jase has been a regular member for 3 years now. He takes a market lamb and breeding project. He raises his own flock of sheep that he uses for market lambs and show lambs and he also sells some to other 4hers and ffa kids to show. Jase is also in outdoor adventures, photography, and shooting sports, he is a Jr. Leader in sheep and also the club sunshine officer this year. He loves going to 4H camp and making new friends each year and is looking forward to this years camp.

One of Jase's proudest and biggest accomplishments in 4H was when he won Jr. Sheep Showmanship in 2024 at the Shasta fair and then moved all the way up to the senior class where he bet both his brothers and took 2nd place.

Jase likes to participate in presentation day where he has earned golds each time and moved on to Regional and State each year. This year he hopes to move past Regionals to State with his presentation on Baby lamb care. He also loves Fun Night, livestock judging day and the livestock show.

# Clubs in the Community and B.L.A.S.T. Report

On March 10, 2025 during the Lassen Colony 4-H meeting, our primary group did a community service project. We picked up trash around Lassen View School!

The Lassen Colony 4-H club has continues their monthly community service project through the new year with the help of donations from several local businesses. Thank you for your generous and continued support:

Pumpkinland Chocolate Co.  
Ace Hardware  
Aquarium & Pets  
Hawes Ranch & Farm Supply  
Tractor Supply Co.

Manton's swine club promoted themselves at the Chamber Beam Event. Great job being out there and showing everyone what 4-H is about!

### Time to Start Thinking About 4-H Leadership: Applications for BLAST and County Ambassadors

As spring approaches, it's the perfect time to start thinking about your future in 4-H leadership. The 4-H BLAST (Building Leadership and Strong Teams) and County Ambassador programs are excellent opportunities for youth to enhance and develop leadership skills. These programs work hand in hand to help you grow as a leader, build confidence, and make an impact in your community.

Applications for both programs are now open and can be obtained by emailing Erin Paradis or the 4-H office. If you prefer, applications are also available for pick-up in the 4-H office. Whether you're a seasoned 4-H member or new to the program, these leadership opportunities will help you gain valuable skills and experiences that will benefit you for years to come. Applications are due by April 25, 2025.

Don't miss out—take the first step toward building your leadership journey today!

# Club Reports

## Lassen Colony Club Report ... *Maggie Rabo*

On March 2, 2025 members of Lassen Colony 4-H joined other 4-H and FFA groups at the Corning FFA Livestock Show Clinic. We represented swine, steers, goats, and lambs. Lots of us did YQCA training. YQCA taught us how to take care of our animals and what to do. After YQCA, they split us into four different groups: swine, steer, goats and lambs. We weighed our lambs and practiced showing a bit. When they announced our turn we took our animals into a show ring where we would do our practice showing in front of a judge. When it was lunch time they served hot dogs and

## Los Molinos Club Report ... *Hannah Andersen, Reporter*

On March 3rd, 2025, Madison called the Los Molinos 4-H meeting to order. Then we had a guest speaker, her name was Brittany. She works at the Tehama County Fair Office she told us a little about her job. Also, there were about seven people who did their reports on their fair animals. We talked about Fun Night too and how well it went, and the food was good too. That's what happened at the Los Molinos 4-H meeting.

## Bowman Club Report ... *Griffin Mann, Reporter*

On March 4<sup>th</sup> we had our club meeting and at this meeting we donated our extra whites as part of our community service. For recreation we played belly tag, and we all got good exercise. We talked about what we need for fair and we also talked about the Livestock Show coming up. Then we gave out awards from the Livestock Judging Day. To finish off the meeting we did our monthly prize drawing that we all enjoy.

## Antelope Club Report ... *Everest Vine, Communication Officer*

Antelope 4-H meeting was held on March 10th at 6:30 PM. We decided what we should do for the end of the year party. The decision was to rent the movie theater to watch a movie.

We told people that sign up for 4-H camp is due March 20th then camp is July 9th through the 13th. We had the primary report come up and tell us what they did.

We sang to our March birthdays and gave them cookies. For a healthy living project club they did a ring toss with a hula hoop and large cone.

Our next meeting will be held on April 14th

## Corning Club Report ... *Cailynn Lamb, Reporter*

Happy March! I hope you all had a happy Valentine's Day! March 3rd is our monthly club meeting @6:30pm in the west street school gym. In February we enjoyed 4-H fun night and bed races, our bed won all races and peoples choice award! March 1st there was a livestock judging day @ the TCFG, then on March 2nd there was an FFA show clinic @ Rogers Ranch.

# Countywide Project Directory

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing [ecparadis@ucanr.edu](mailto:ecparadis@ucanr.edu).
