Dear 4-H Community Club Leaders, 4-H Project Leaders,
4-H Members, Parents and/or Guardians:

Enclosed in this 2025 SLO County 4-H Field Day handbook is the making of another fun-filled and educational day for 4-H members and their families. Many individuals have been involved in the planning of SLO Co. 4-H Field Day and many more will be involved in organizing the event, before and during the big day. On behalf of the San Luis Obispo County 4-H office, I would like to extend sincere ***thanks*** to all the individuals— Division Chairs, Judges/Evaluators, Safety Personnel, Clean-Up Staff, 4-H'ers and all the parents and guardians that help at this event. ***You are all APPRECIATED, and this event wouldn't be what it is without your support and participation!***

I would like to thank the members for their participation in 4-H and in the 2025 SLO Co. 4-H Field Day. I hope, throughout this past 4-H program year, you have learned many new life skills, had plenty of opportunities for experiencing leadership and civic engagement building activities, and will continue your involvement in the 4-H program next year. Most of all, I hope that you have fun at the SLO Co. 4-H Field Day and are able to practice skills that you have learned during the year, show some of your project work, and learn new skills that you will be able to put into use after the San Luis Obispo Co. 4-H Field Day.

If you haven't already decided to participate in the SLO Co. 4-H Field Day, I hope that you will consider signing up, and once you are there; HAVE FUN and enjoy the event!

Sincerely,

Ana Torres
Ana Torres, Regional Program Coordinator
